every little girl's dream come true Your little princess was in mind throughout the design and construction process. Shea Homes included every detail they thought would bring wonder and excitement to the lucky little girl that will enjoy this playhouse for years to come. The soft feminine colors, rich fabrics, chandelier, and vanity will help create memories that will last a lifetime. Other special features include a moat,

Driven by a passion to build the finest-crafted homes and communities in America, Shea Homes strives for the best in workmanship, design and quality. For Shea Homes, everything comes down to one basic principle: when you care, it shows. Today, that caring is evident in many fine communities across the country.

Shea Homes' castle inspired playhouse is

wishing well, stained glass windows and much much more.

HomeAid Inland Empire is excited to have Shea Homes as one of our featured playhouse builders. A special thank you to all of the contributors who gave so generously of their time, creativity, and resources to make this amazing playhouse a part of our very first playhouse village.
